Advocate NH

Advocate NH is a committee of people with disabilities, as well as other community members and professionals, who advocate for disability rights, work to make communities inclusive, and want New Hampshire to be a GREAT place to live, learn, work, and play for EVERYONE. The Advocate NH Committee hosts a day-long skill-building and networking event in Concord.

Advocate NH operates in partnership with the NH Council on Developmental Disabilities, the NH Bureau of Developmental Services, the Disability Rights Center – NH, People First of New Hampshire, and the UNH Institute on Disability. For more info on Advocate NH, contact Cat Jones, UNH Institute on Disability, 603-228-2084.

About the Conference

Advocate NH invites you to join us at our 7th annual **Advocacy – Learn It! Live It! Love It! Conference**, Friday September 27, 2019 at the Grappone Conference Center in Concord, NH.

The theme of the 2019 conference, **The Future of Advocacy**, represents a chance to ask, **What does a truly inclusive community look like?** and **How can I live my best life?**, then work together to figure out what steps we can take to realize our visions of a better future.

Whether that means learning about finding a job that is a good fit, meeting new friends and building relationships with others, learning strategies for looking after your health and well-being, and sharing ideas about how technology can keep us connected, our conference is about sharing how we ALL can be valued members of the community.

We are excited to invite a range of organizations, agencies, and companies to partner with us as sponsors. Your support helps achieve the goal of providing an affordable opportunity for individuals in the disability community to come together and share knowledge.

Sponsor benefits include special recognition throughout the conference, access to a resource table to display literature, a limited number of staffed exhibitor tables, and more.

Your organization will have a unique opportunity to reach over 150 local and statewide disability advocates, caregivers, and family members, as well as professionals from related fields.
